FOREWORD

The purpose of the 1956 Wepawaug is to capture by words and pictures the meaning of our theme, "THIS WAS OUR LIFE." Highlights of our Senior year have been chosen from our classes, sports events, assemblies, dances and proms that we enjoyed for so many reasons. This yearbook is the scrapbook of memories which will always help us to recall this phase of our lives.

We have chosen a single symbol, the Indian as the embodiment of our class spirit. The Indian is significant as a symbol because Milford was purchased from the Indian sachem Ansantawae for six coats, ten blankets, one kettle, twelve hatchets, twelve hoes, two dozen knives and one dozen small mirrors.

The wonderful and sometimes sentimental moments of our life we have tried to transfer from within the walls of the building to the pages of this book. Thus, in the future we can say to ourselves, "This was our life."

DEDICATION

Mrs. Chilinski

Walking through the hall of the Mathematics Section of Milford High School, we pause at the door of room 222 to look in upon a class of geometry or perhaps shop mathematics. Here we find Mrs. Frances Chilinski, who, outside of her regular teaching duties, has devoted immeasurable time during her fourteen years in Milford High School to the welfare of the student body. At some time, she has guided all in our class, helping us to solve our problems both in school and outside.

Lots of luck, Wayne,
and many thanks
for all your wonderful
help with A-V equipment.
Frances K. Chilinski

She has, for many years, supervised the high school Audio-Visual program including the training of student operators. Without her time consuming work with the picture committee, scheduling, rescheduling, and then scheduling again, this yearbook might never have been completed.

Mrs. Chilinski is one of those people who teach because they love it, and it shows in everything she does. During the war, she left the teaching profession for a time to work in a defense plant, but as she herself said, "I missed the kids." Fortunately for us, she was soon back in the classroom.

It is to a woman such as this, one who is always ready with a helping hand when the going is tough, who always slips away when praise is given; to Mrs. Frances Chilinski, in sincere appreciation for her invaluable assistance in making our high school years complete, we dedicate our yearbook.

PRINCIPAL'S MESSAGE

It is difficult to say something profound to a graduating class in just a few words. However, since this is my task, I shall try to impress upon your minds a thought which to me is a way of life. If your words, actions, and deeds in life are based upon true principles, you will never be far away from honor and truth, for principle is truth that is a foundation for other truths. Seek the truth and live by it and you shall always walk with honor.

CURRICULUM

Although only five years old, Milford High School finds itself being rapidly outgrown by its student body. With almost 1500 students this year, it has been necessary to initiate a duplicate assembly program with Freshmen, numbering over 400, having their own assembly on the Monday following the Friday on which the sophomores, juniors and seniors attend theirs. The lunch period has been divided into five "waves" to handle the problem in the cafeteria. Town officials are already discussing the possibility of a new high school, while school authorities are trying to estimate the nearness of a "double session" for the high school.

Despite these problems, the school offers a remarkably varied curriculum based on the needs and interests of the students. The curriculum is set upon a system of majors and minors in addition to the basic courses in Language Arts, Science, Mathematics, Music, Social Studies and Physical Education, which are required of everyone. A major constitutes work selected from the same field of specialization beyond grade 9, totalling 24 points. A minor totals 16 points. The points are based on the number of times the course meets per week, and semesters through which it lasts. The majors and minors must be selected and distributed among at least three of the ten fields of specialization. They include Art, Business Education, Foreign Language, Home Economics, Industrial Arts, Mathematics, Music, Science, Social Studies and Language Arts.

Each area of specialization offers courses which include practice, as the high school was specifically planned and equipped to give an opportunity to learn by doing. Our Science Department including, biology, physics, and chemistry affords such opportunities in the laboratories. The Homemaking Department, with its practice house and play school and the electric, metal, woodworking, machine and drafting shops of the Industrial Arts Department are the best equipped in the state. The high school library, which grows tremendously each year has become an indispensable factor in the education of all the students.

The students of Milford High School are indebted to those who have made available the opportunity for such a thorough education and are justly proud of their fine school.

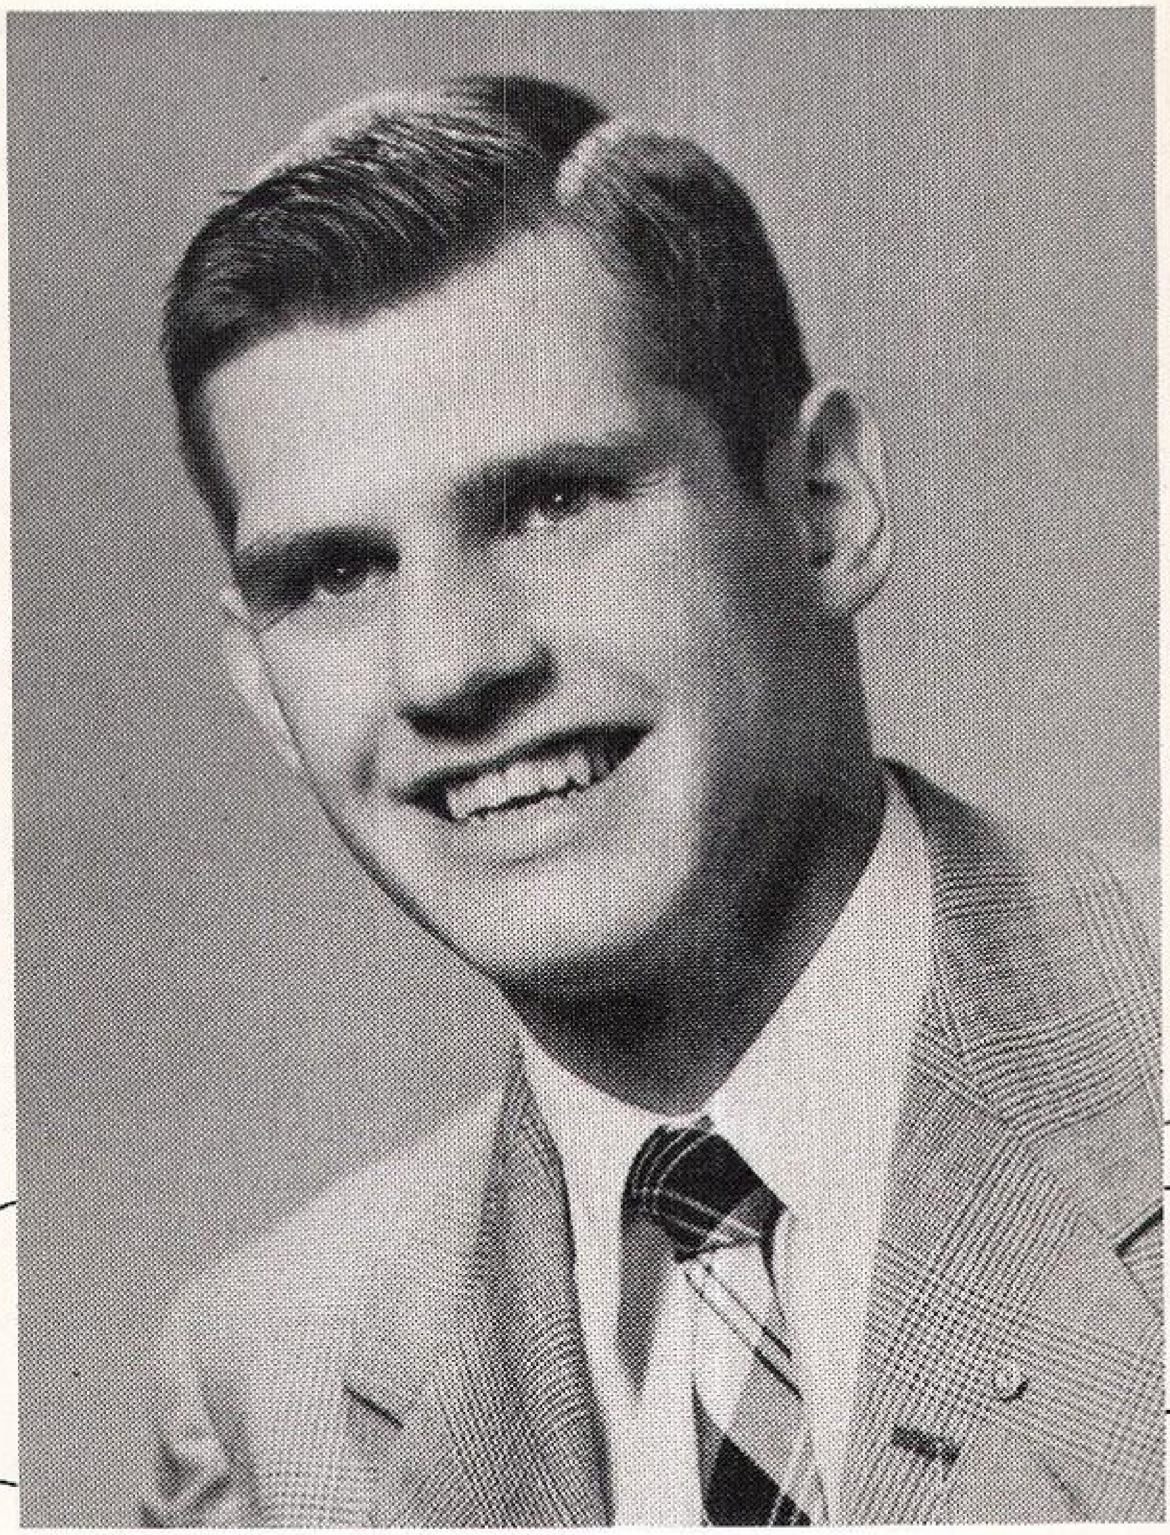
Year!



Linwood Schulte, President

Four years have passed since we first entered Milford High School. During these years, we have made friendships and gained memories which will last a lifetime. The proms, plays and assemblies naturally stand out in our minds, but the everyday events of going to class, meeting friends in the halls, and working on committees are even more treasured. But let us not forget the real lesson of High School, that behind the joy and excitement of each successful event went many long hours of good hard labor. We are prone to forget the troubles we had memorizing our lines for "The Admiral Crichton" or the effort in making the eyes just so on Cinderella for our Junior Prom. But these things should not be glossed over, for it is important for us to realize that nothing was accomplished without work, and to apply this knowledge to our future lives.

I wish to express our appreciation to each member of the faculty and administration for their help and guidance throughout our four years in High School. May their future years at Milford be as happy as they have made our past years.

Now as our school years draw to a close, may I wish each of you success and happiness in the future.

In Memoriam

In tribute to Robert Harrigan and Joseph Perry, two classmates who shall always be retained in the memory of the class of 1956:

Who once has had a friend has found
The link 'twixt mortal and divine;
Though now he sleeps in hallowed ground,
He lives in memory's sacred shrine;
And there he freely moves about,
A spirit that has quit the clay,
And in the times of stress and doubt
Sustains his friend throughout the day.

No friend we love can ever die;
The outward form but disappears;
I know that all my friends are nigh
Whenever I am moved to tears.
And when my strength and hope are gone,
The friends, no more, that once I knew,
Return to cheer and urge me on
Just as they always used to do.

They whisper to me in the dark
Kind words of counsel and of cheer;
When hope has flickered to a spark
I feel their gentle spirits near.
And Oh! because of them I strive
With all the strength that I can call
To keep their friendship still alive
And to be worthy of them all.

Death does not end our friendships true;
We all are debtors to the dead;
There, wait on everything we do
The splendid souls who've gone ahead.
To them I hold that we are bound
By double pledges to be fine.
Who once has had a friend has found
The link 'twixt mortal and divine.

Edgar A. Guest

The Milford High School Student Council is a student government organization representing the entire student body and operating for the betterment of inter-student and student-faculty relations. A representative and alternate are elected by each sophomore, junior, and senior homeroom. Because of the number of freshman homerooms, the freshman representatives are obtained through a democratic process of nomination and election from the class at large

The Student Council sponsors many functions to further its purpose. The sale of school supplies, pencils, paper, and book covers; banners; pins; and Christmas tree lights supplies funds for the sponsorship of buses to out-of-town football games. Two successful dances held this year added to the treasury and furthered the social life of the school

Student Council membership is not only an honor but an entrusted responsibility offering the opportunity for leadership and service.

Key Club

The Milford High School Key Club was chartered July 2, 1953 and is now finishing its third complete year. The objectives of the Key Club are as follows: to develop initiative and leadership, to provide experience in living and working together, to serve the school and community, to cooperate with the school principal, to prepare for useful citizenship, and accept and promote a code of ideals.

The club consists of sophomores, juniors, and seniors chosen on the basis of character, leadership ability, and scholarship, and is sponsored by the local Kiwanis Club, with Mr. Herman as faculty advisor.

Some of the major projects sponsored by the Key Club were assisting the Red Cross with the Bloodmobile each month, a carwash, a school directory, a townwide clothing drive which netted about 3,000 pounds of clothing for needy children all over the world, the annual dance, the Key Club assembly in the spring, and many other miscellaneous projects. The project in which the Key Club takes great pride was the presentation of the charter to the first Keyette Club in Connecticut.

The Keyette Club of Milford High School is comprised of thirty-seven young women who are vitally interested in developing initiative and leadership, in serving the school and community, and in preparing for useful citizenship.

This year the Keyettes completed several successful projects. They netted over 250 dollars profit from the sale of Christmas trees; some of these proceeds were sent to Winsted Flood Relief, Milford Visiting Nurses' Association, and as presents to Milford home-bound children. The girls polished all the silver trophies belonging to the school and constructed a canvas and plywood "Beat Stratford" banner. They acted as hat-check girls for the Hospital Auxiliary Dance and have been waitresses and usherettes for community affairs. Financial assistance was sent to the hospital and church building funds in memory of deceased parents of Keyette members. They also purchased scrapbook supplies for the crippled children of Newington Hospital.

They are sponsored by the Business and Professional Women's Club of Milford, with Mrs. Shirley P. Newton as faculty advisor.

y Dr. Paul Van Bodegraven. Lynn Glasnapp
soprano), Patricia Howe (alto), Ernest Harris,
onald Nolting, and Richard Tucker (tenors),
nd James Fuller (bass) performed in the chorus,
irected by Mr. Allen C. Lannom.

The rehearsals were held Wednesday and Thurs-
ay, and the concert took place Thursday night in
ushnell Auditorium. The Auditorium was packed
nd the audience enjoyed a "top-notch" show.

It was a wonderful and unforgettable expe-
ence for all the students who participated.

Nutmeg Boys' and Laurel Girls' State

This year six junior boys and two junio
girls were chosen to attend Nutmeg Boys' an
Laurel Girls' State. The representatives wer
chosen on the basis of leadership, service, an
scholarship. Boys' and Girls' State are leader
ship schools which have as their objectives: t
develop leadership; to return to the fundamen
tals of our form of government; to make Boys
and Girls' State a laboratory of practical polit
ical science; to make "State" a functional citi
zenship program. It was a fine opportunity an
rewarding experience.

National Honor Society

The National Honor Society is a group of students who have become eligible by achieving consistently good grades. They must keep up these grades for a year and a half before election into the society, and also while they are members. The qualities, other than scholarship that must be maintained by the student are leadership, service, and character.

The Honor Society holds meetings periodically to attend to any current business. The elected officers are Barrett Atwood, president; John Maryak, vice president; and Betty Novotny, secretary; and the faculty advisor is Miss Ruth Doe.

As in years past, members of the society were asked to tutor students who needed and wanted help. This service was willingly and efficiently carried out by the members whose aim was to help others to satisfy the scholarship requirements of the school. •

WETOMHIS

Wetomhis, which is made up of seniors and juniors, is predominantly a class in journalism. It enables the student to visualize and to undertake the problems of setting up the school newspaper which is issued ten times a year. It instills within him a sense of responsibility to the school and to his fellow classmates. Wetomhis utilizes the mechanics of analyzation, thought, and organization.

The writing, editing, and layout of the paper is carried out by the students under the direction of Mr. Donald Brough. The actual printing, however, is done by a commercial press. The paper is strictly self-supporting. Funds are obtained through subscription, advertising, and Wetomhis-sponsored dances.

DANCE CLUB

The Milford High School Dance Club, numbering fifty members, is an extremely successful and popular activity, although only in its second year. The aim of the club is to promote self-expression as an outlet for creative ideas through the medium of movement. This means disciplining and keeping the body in readiness by learning body techniques and musical phrasing. The emphasis on the awareness of individual imagination gives the members a great carry-over value in later life.

Guided by Mrs. Laura Lund, the club's activities included performances in several assemblies, the Student Loan Fund Show, and the presentation of their own recital.

THE CHESS CLUB

The Chess Club is composed
f a group of students who are
nterested in the age old game
f chess. To become a member
ne does not necessarily have to
know how to play chess since in-
truction is given to beginners,
both by Mr. Yokstas, the ad-
isor, and the members of the
lub who have been playing the
ame for several years. The pur-
ose of the club is to encourage
he playing of chess for enjoy-
ment and skill, thus giving its
members a delightful hobby.

FUTURE HOMEMAKERS OF AMERICA

The Future Homemakers of America Club offers an opportunity to all girls who are interested in practice in many of the homemaking skills. It also has become somewhat of a service club, having been called upon to make and serve refreshments at functions held by other clubs and organizations. Under the guidance of Mrs. Goral and Mrs. Voelkle, the girls who are members of this club strive to live up to the club's high ideals by working together to help others and to promote good will in school and in the community.

FUTURE NURSES CLUB

The membership of the Future Nurses Club consists of students who hope to take up nursing as a profession. The purpose is to help the members to make a definite decision as to whether they are temperamentally and physically qualified for the nursing profession. The program is based on getting information to students concerning the duties of nurses, projects to help the school and the community, and field trips to different hospitals.

The hospital staffs will be better than ever. Seated, left to right: Carol Anderson, Dawn Adams, Hadie Woodford, Barbara Adams, Mary Cole, Beverly Hawkins, Mary Ann Eckweiler, Barbara Lee, Elizabeth Mordovanec, Eileen Davis.

LIBRARY CLUB

The Library Club performs a great service to the school. The members, under the direction of Miss Anne Lyston, help to keep the library in good working order. Learning how a library works is one of the purposes of the club; another is to sponsor interest in the library among the students. The main project of the club this year was to gather information on all school activities and incorporate it into a large scrapbook which will now be available for the students to use.

FRENCH CLUB

Headed by these officers, Richrd Tucker, president; Elaine Kusako, vice-president; Margot Landcastle, secretary; Melinda Brown, treasurer; Judith Wincker and Margot Landcastle, co-ditors of *Sans Souci,* the French Club has tried to interest the tudents in the background and ultural aspects of the language nd country. Some of the activies this year were the publishng of the French newspaper, *ans Souci,* and the annual trip to New York to view a French lay and dine in a French restaunt.

SPEECH CLUB

The Speech Club was organized for students interested in using appropriate diction for various types of verbal expression. The club attempts to uncover and remedy the speech imperfections of its members. The varying conditions under which speech can be developed and improved, including the school's public address system, are utilized, and the reading of the daily announcements was one of the major activities of the year.

PROJECTIONIST CLUB

The Projectionist Club, under the direction of Mrs. Frances Chilinski is a school service club. It spends its time training students to operate audio-visual equipment efficiently. After his training, the student receives his license which qualifies him to operate audio-visual equipment in the classroom. Besides service to the school, the club offers a great deal to the individual member. The experience in auditorium lighting and amplifying equipment can eventually lead to a permanent vocation in the theater.

SPANISH CLUB

The Spanish Club's main project this year was the production of a Spanish newspaper which carried information gathered by members of the Spanish Club. Under the direction of Miss Coffey, the group also had discussions on various South American countries and learned numerous folk songs, thus achieving the main objective of the club which is to enrich the student's knowledge of the language and the people.

The officers for this year were president, Norma Linton; vice-president, Elliot Burton; secretary, Jean Marie Hall; and treasurer, Mary Jane Novotny.

DEBATING CLUB

The Debating Club has been
vived this year to present to a
re of enthusiasts the oppor-
nity to acquire the experience
cessary to establish a debating
am. The emphasis has been
on discussions of current prob-
ms and attempts have been
ade to view issues from a dis-

ART CLUB

Art Club offers to anyone interested, not only an opportunity to learn about art and its application, but to experience the enjoyment of art. It presents the chance to use one's talents in whatever field he might be interested. It is an excellent means of examining and exploiting the various aspects of artistic expression.

Under the direction of Mr Edward Mullins, the main project of the year was the preparation of posters for various entertainments offered by other groups and organizations.

GIRLS' SPORTS CLUB

The purpose of Girls' Sports Club is to give the girls, interested in athletics, an opportunity to participate in extra-curricular activities. They are given a chance to play and become more proficient in a wide and varied number of sports.

One feature of the program is a play day, held in conjunction with the schools of the greater Bridgeport area, in which teams comprised of students from each of the various schools compete. Each school acts as host for one of the sports, which, this year, include basketball, volleyball, baseball, swimming, bowling and a recreational program.

The club is under the direction of Miss Joan Tickey.

ATHLETIC COUNCIL

The Milford High School Athletic Council is composed of the captains of all varsity teams, a Student Council representative, the advisor for the Girls' Sports Club and one member each from the Junior and Senior classes. This group acts as a body to promote the athletic program of our school.

The Athletic Association, which is a function of the Council, opens its membership to all students of our high school. All members are entitled to reduced prices for athletic events in return for a one dollar membership fee. This fee makes money available for early season athletic expenses.

THE JUNIOR PLAY

Last year's Junior Dramatic Club, now the graduating seniors, presented "Sixteen in August" in April, 1955. The play was a delightful comedy about the problems of a "typical" teen-age girl. Directed by Mrs. Samuel Newton, the players turned in some very competent performances.

Besides providing opportunities for acting experience, the production afforded to many members the chance to learn about stage designing, props, make-up, and other skills which are involved in dramatic presentation. It also gave the more experienced students, already acquainted with many of these techniques, a chance to express their original ideas.

SENIOR PLAY

The "Admirable Crichton," the 1956 senior dramatic production, gave great enjoyment not only to its audiences but to all who had the opportunity to work on it. It was a play with a "reversed situation" plot in which the servants, led by the butler, assume opposite stations when marooned on an island. It was the first four act play presented in a number of years. Acts I and IV occurred in the old aristocratic home and Acts II and III, a very different situation, on an island, after meeting with disaster on the "high-seas." The director, Mrs. Schwartz, turned out a fine production.

A good coach and team have a terrific season.

Under the leadership of Richie Briggs, captain, our team, although one of the smallest of class A teams, ended the season with a record of five wins and three losses. This was accomplished by a combination of hard work by the boys and excellent coaching of Ray Stoviak.

The season started with good teamwork from every member, but nevertheless, Bassick made two touchdowns to Milford's one. The Indians took to the air in a passing attack and turned the tables on Norwalk with two touchdowns to one for Norwalk. The third game showed that with determination our eleven Indians could pull through almost anything. Coming from behind in the last quarter with the aid of a safety and two additional touchdowns, we were able to win against Roger Ludlowe on their home field. The team lost their next games to Hamden and West Haven. In the last two of the regular season, the team snapped back to beat Central and Bullard Haven.

Finally, the long awaited Thanksgiving Day arrived, and with it our big game of the year. Again we pulled from behind, winning the game after most spectators considered it a Stratford victory. This brought our season to a close on the happiest possible note, since the Milford-Stratford rivalry was in its thirty-second and most spirited year.

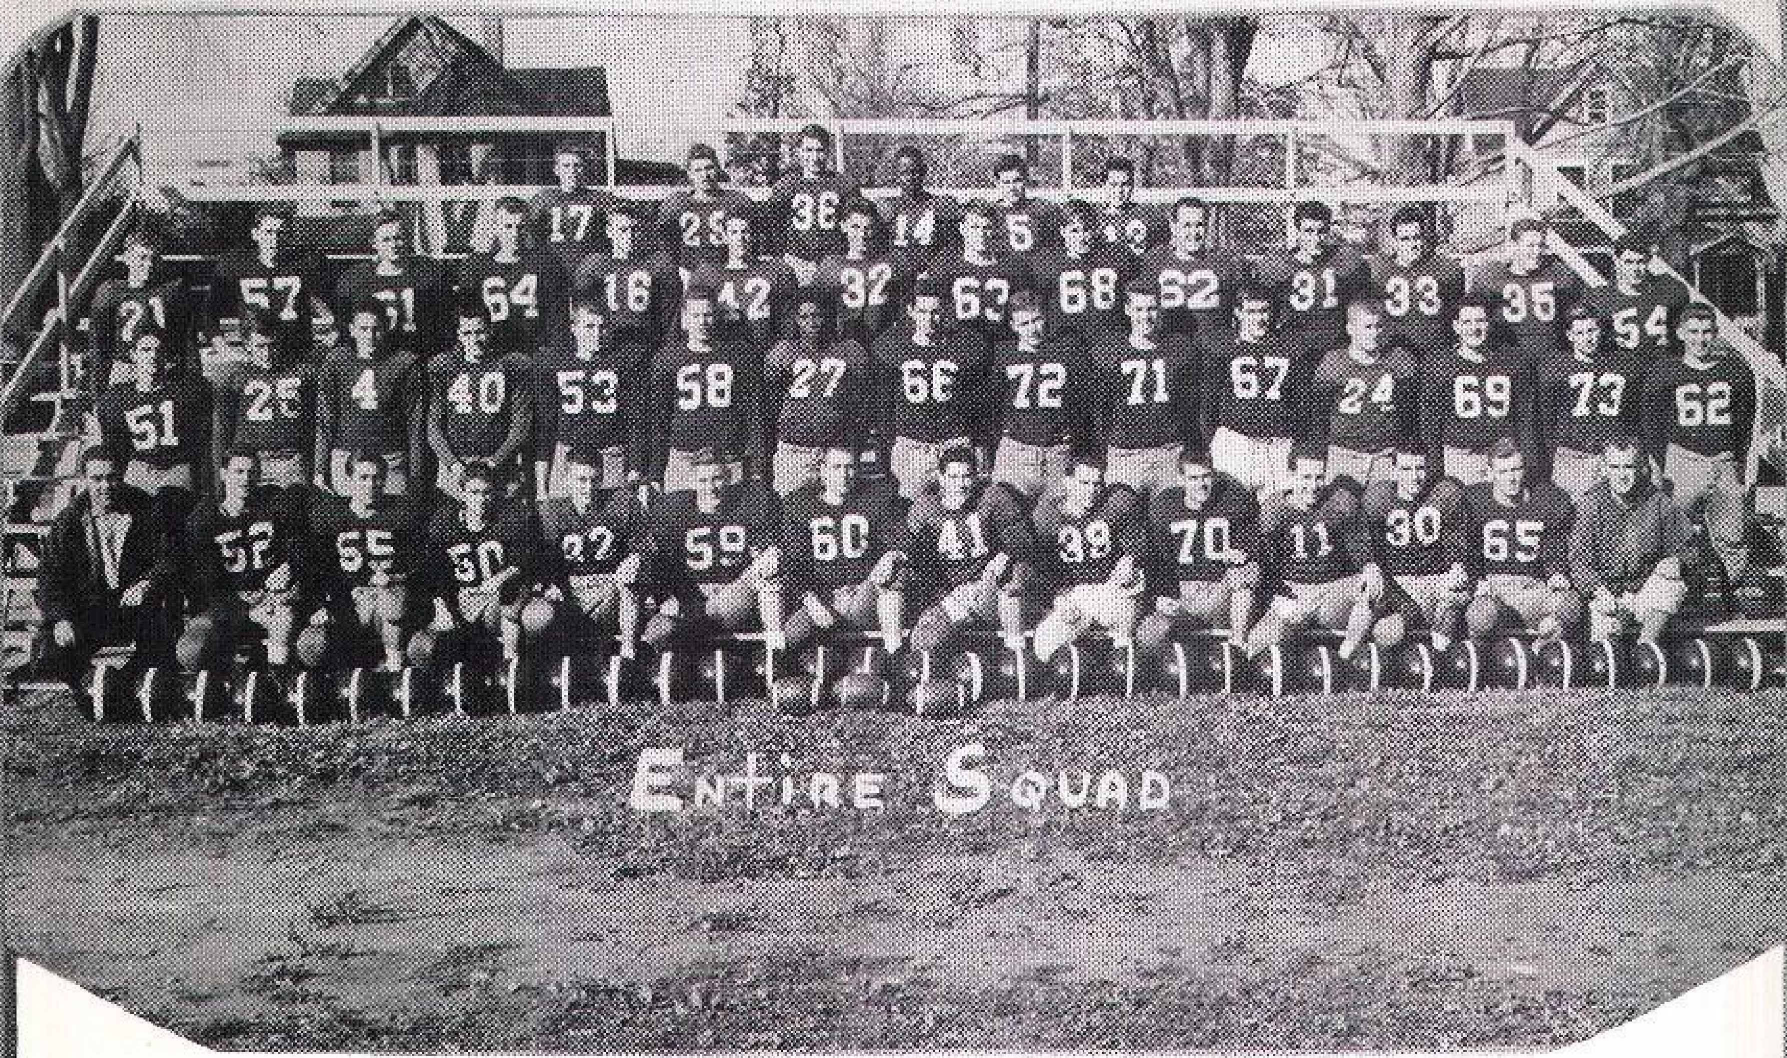
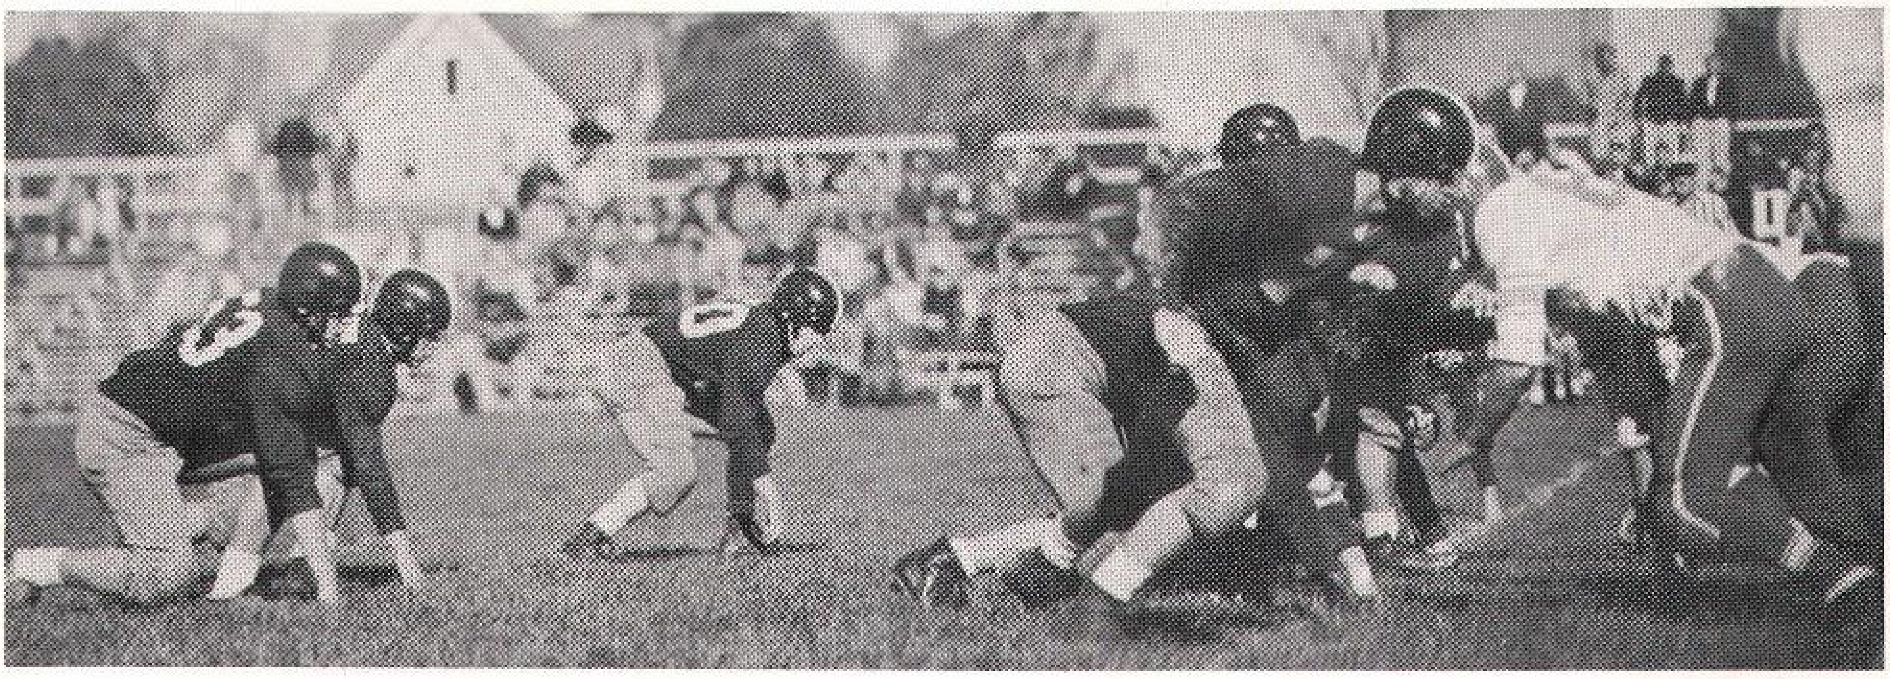
It's kick off time!



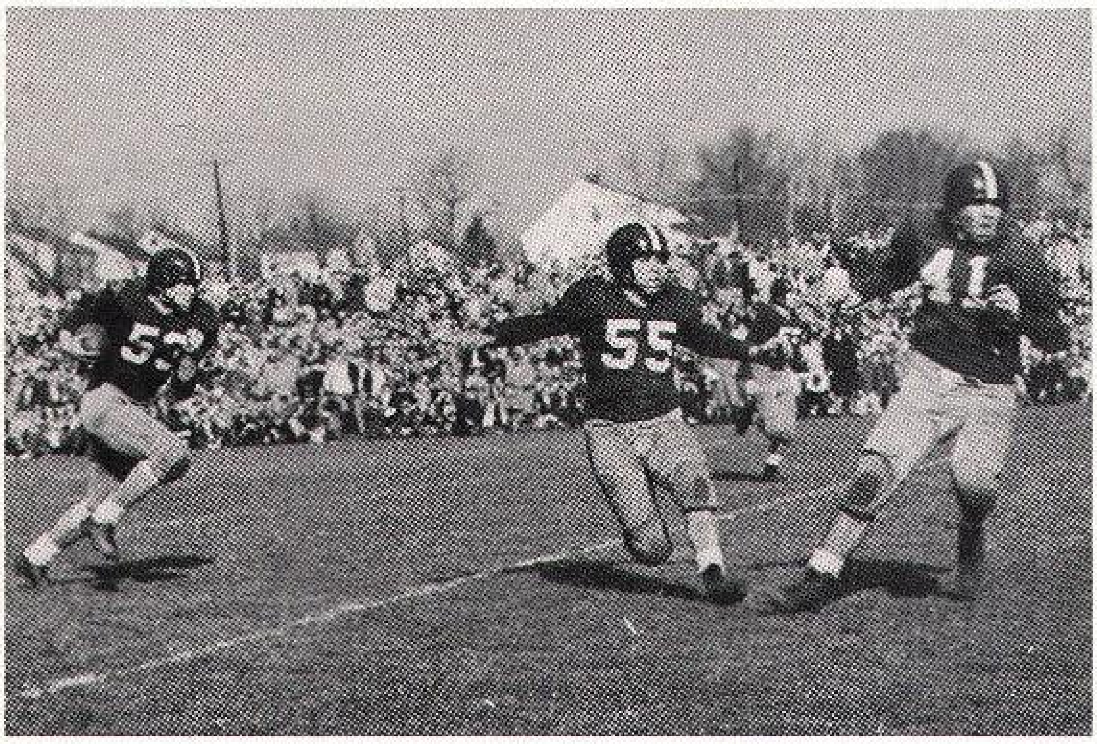
First row: Mr. Taylor, Richard Briggs, Bob Crego, William Morse, John Casey, Ronald Nolting, Hugh Gregory, William Denton, Howard Peck, Linwood Schulte, John Yoksa, Jim White, Cyril Rochon, Mr. Stoviak.
Second row: Ernest Crocco, Thomas Jenson, DeForest Smith, Charles Cook, Richard Downey, Chris Bunger, Henry Brockenberry, Joseph Beneficio, George Ward, Ken Hawkins, Jim Collins, Bob O'Sullivan, Dan Sullivan, Emil Usinger, Pat Graham.
Third row: Floyd Shaw, Bill McKay, Lloyd Fleming, Bob Foote, Charles Hungerford, Harvey Berman, Leroy Burns, John Fiehn, Al Anderson, Dick Bourdeau, Anthony Gilormine, Tom Phelan, Bernard Cochrane, Joe Viola.
Fourth row: Andrew Wagner, Stanley Manchester, Dale Krasenics, Edison Taylor, Bob Calandro, Bob White.

Tension in the stands — a ready team — attentive bench — encouraging cheers.

"Let's go in for some close-ups"

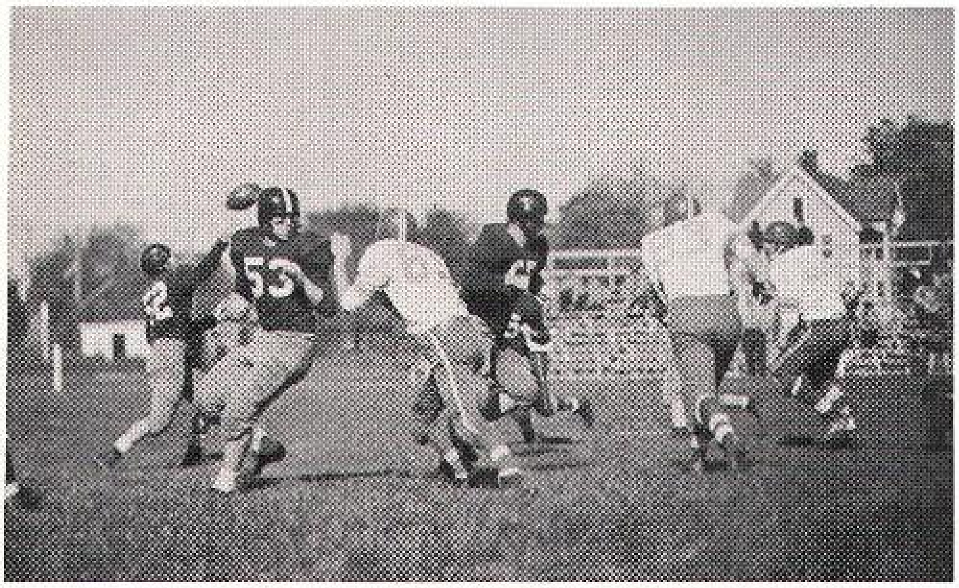


Briggs takes from center-lines charge — and the Indian backfield goes into action — chalking up another first down.

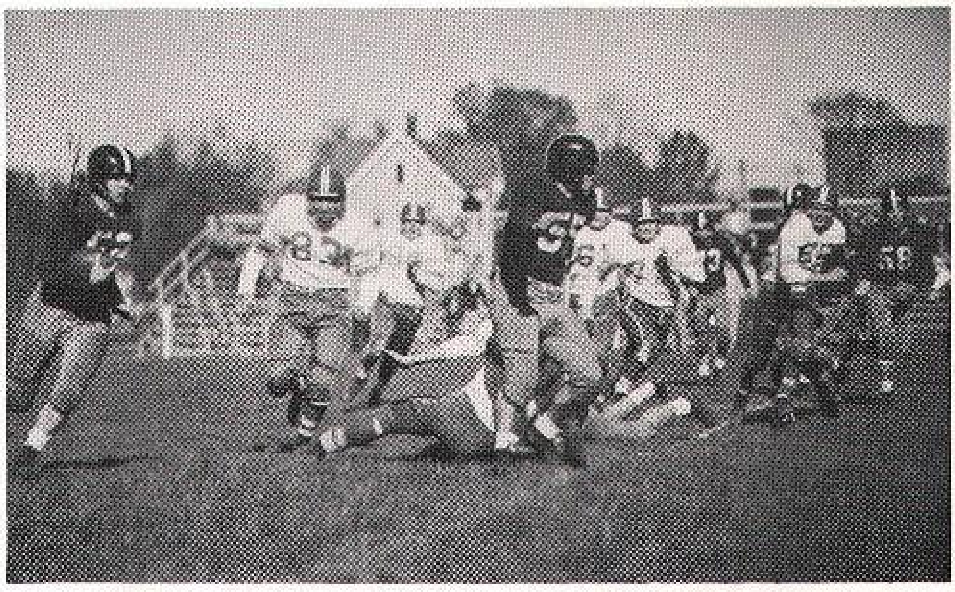


Speed, protection and determination — Downey (53), Crego (55), and Denton (41) execute offensive attack.

Our speedy end, Linwood Schulte (70) grabs another descending pigskin for a six-pointer.

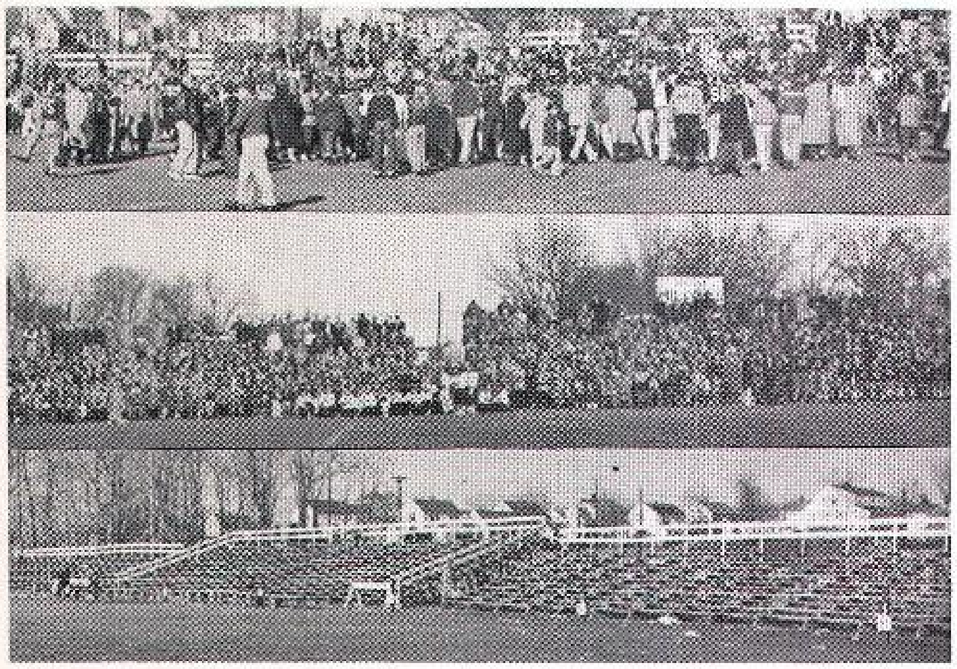


Denton (52) snares pigskin as teammates Downey (53) and Rochon (65) prepare blocks.

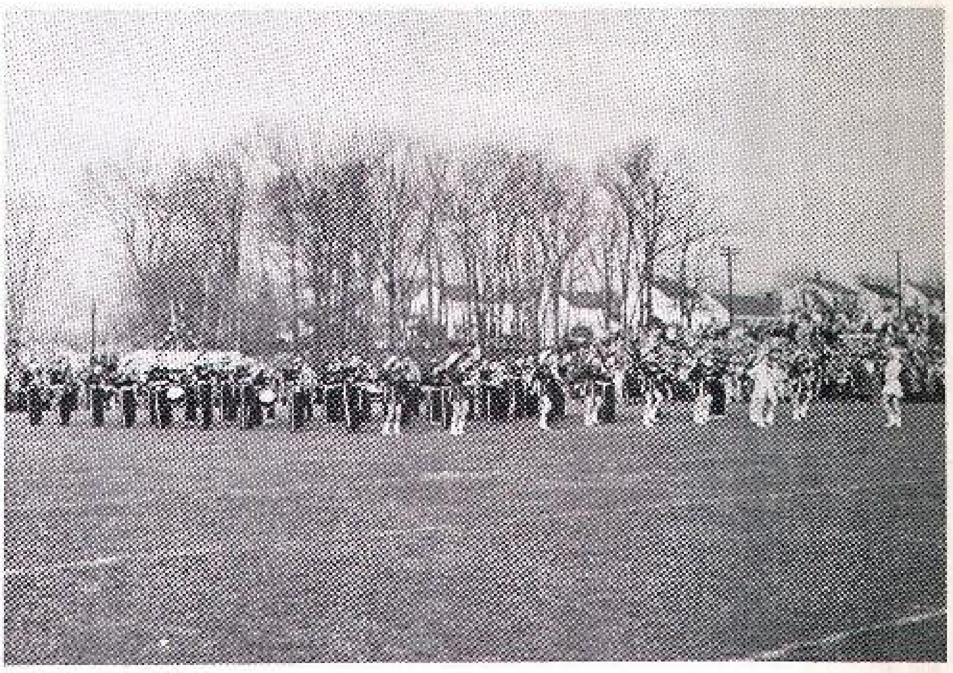


Captain Briggs (52) rips around his right end as Crego (55) adds some protection.

"Beat that Stratford!"



Before, during and after a happy "Turkey Day" game.



Baton squad and band parade to the "Yellow Rose of Texas."

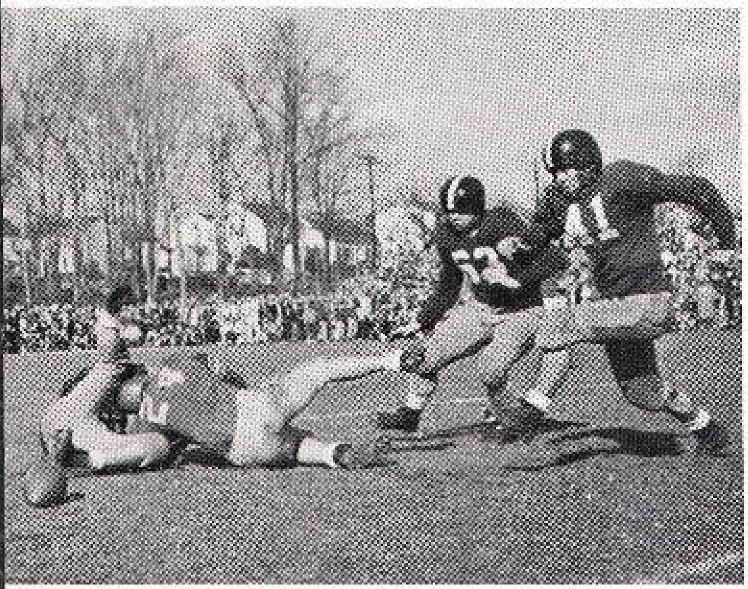
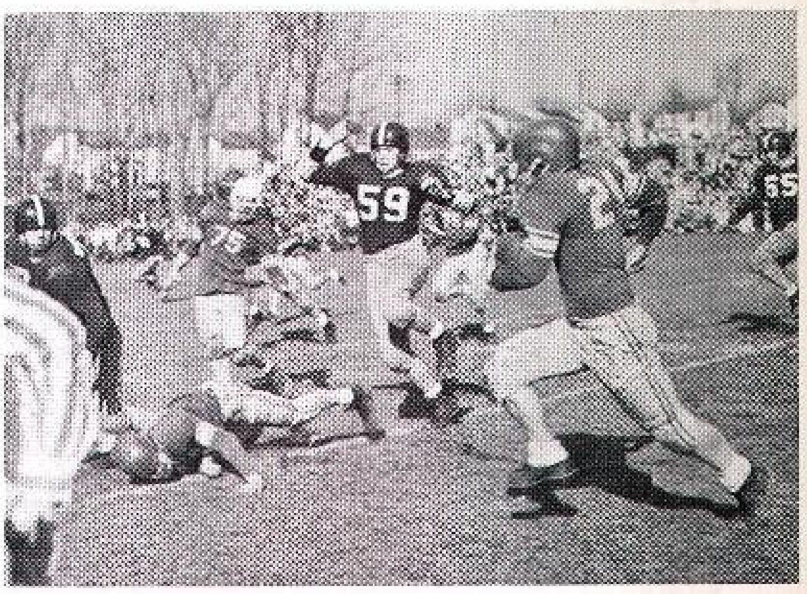
"The Kick! — was it good?"

M.H.S. stands say "Yes"

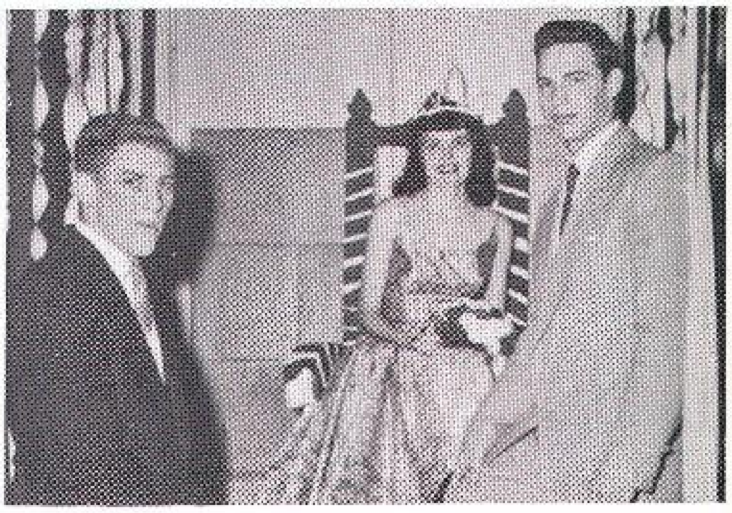


Left: Denton and Fiehn race for fumble.
Right: Nolting avoids fallen blocks to attack ball carrier.



"FOOTBALL HOP"

A wonderful product of hardworking cheerleaders.



Maureen Moore was crowned queen by Ron Nolting, and Dick Briggs, captain.

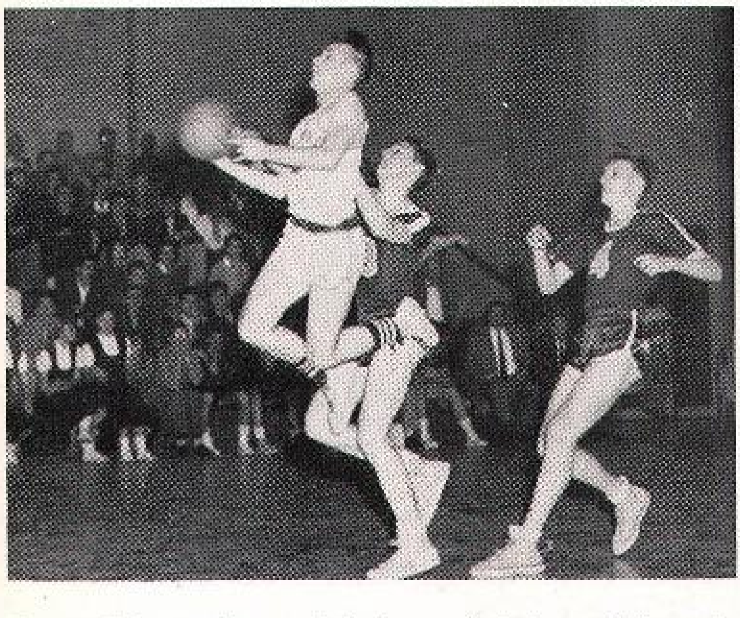
Down it comes — Who? Dick Katrick pulled it out.

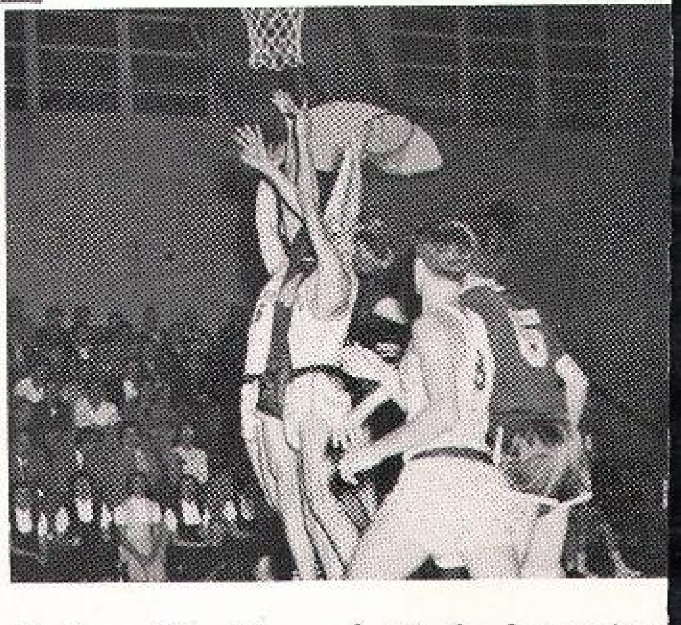
One look at M.H.S. rooting section answers our question.

The long "Maroon and White" line prepares for jump and "Fight."

Pep, shouting voices, well coordinated cheers by our cheerleaders add zest to every game.



Jerry Mason leaps high on driving, delayed, "lay up" — making shot and "free throw."



Collins, Katrick, and Clark determined get that rebound.

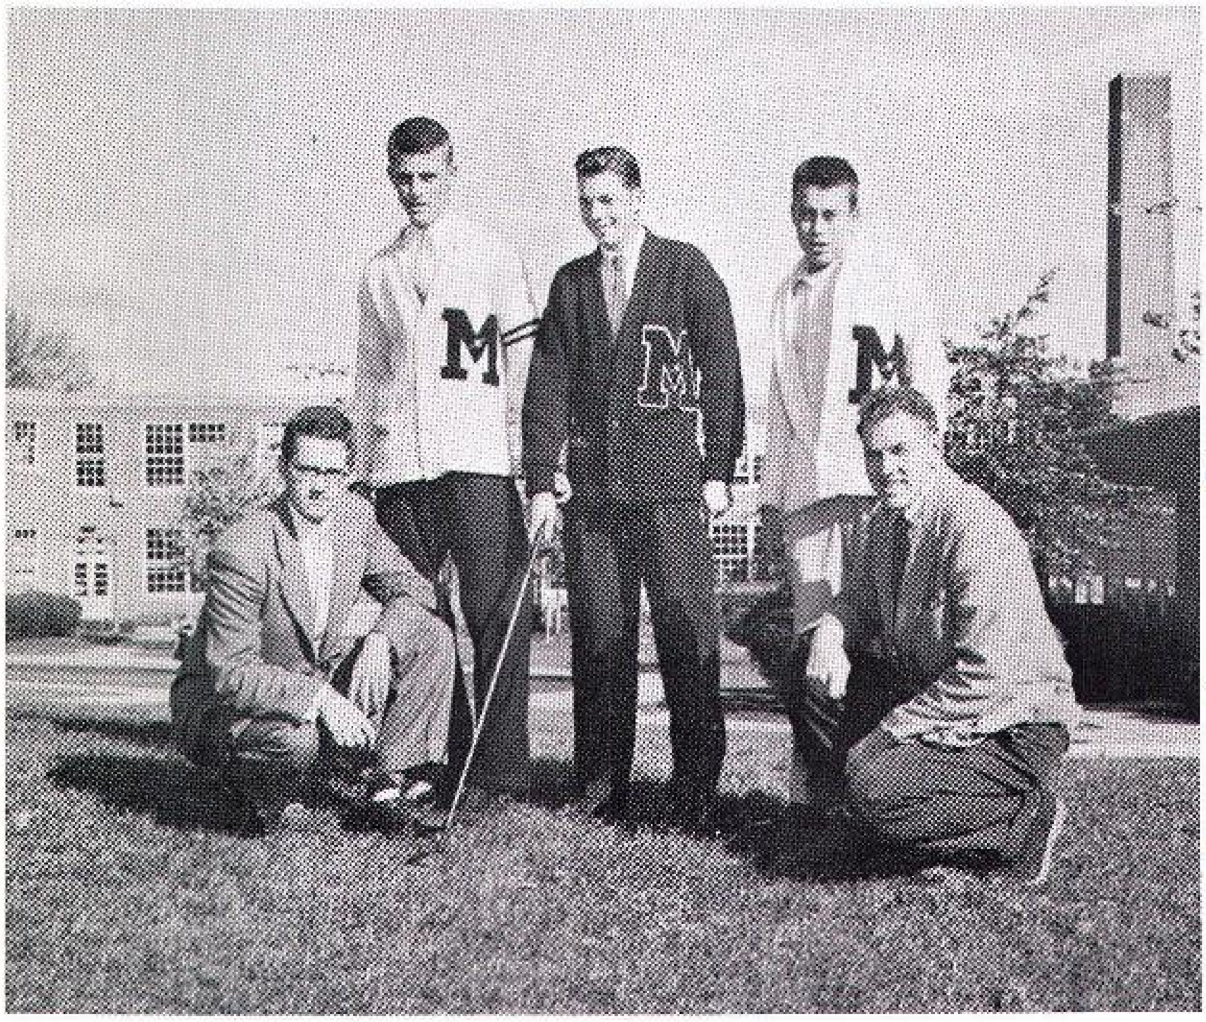
Judy Hayter leads cheerleaders in a chant straight from the "reservation" in the West Haven game.

Milford High's Golf Team tees off.

Bob Robertson, Peter Aldo, John Casey, Bill Doyle, and Mr. Fox, coach, line-up on Wepawaug Green.

The Milford High School golf team was and promises to be an exceptionally good one. Under Mr. Fox's expert coaching and teaching, the team marched to within one game of the 1955 Tournament, with a five win — eight losses — one tie record. The team consisted of one senior, three juniors, and two sophomores, including Co-captains John Casey and Peter Aldo, Bill Doyle, Bob. Robertson, Dan Casey, and Richard Lepeska.

Returning this year are Pete Aldo, John Casey, and Bill Doyle. With the experience of these three, Milford should have a winning team, and hopes to gain recognition in the Greater Bridgeport League.



Future Hogans, Richard Lepeska, John Casey, Pete Aldo, captain; and Bill Doyle pause with Coach Fox for closer look at camera.

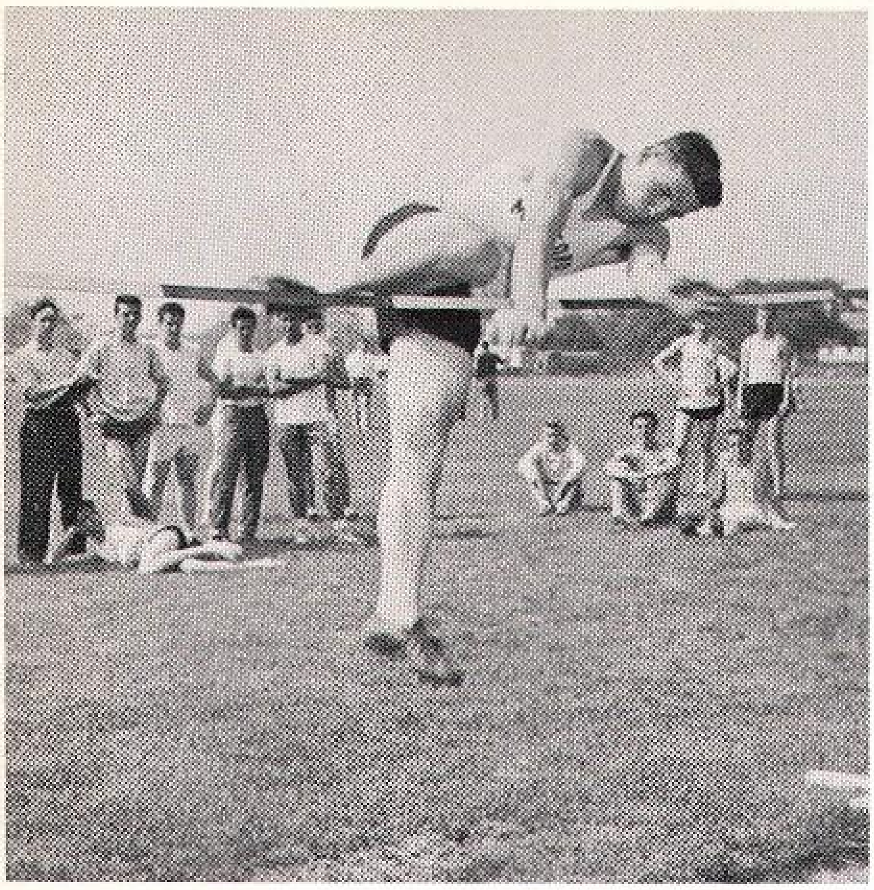
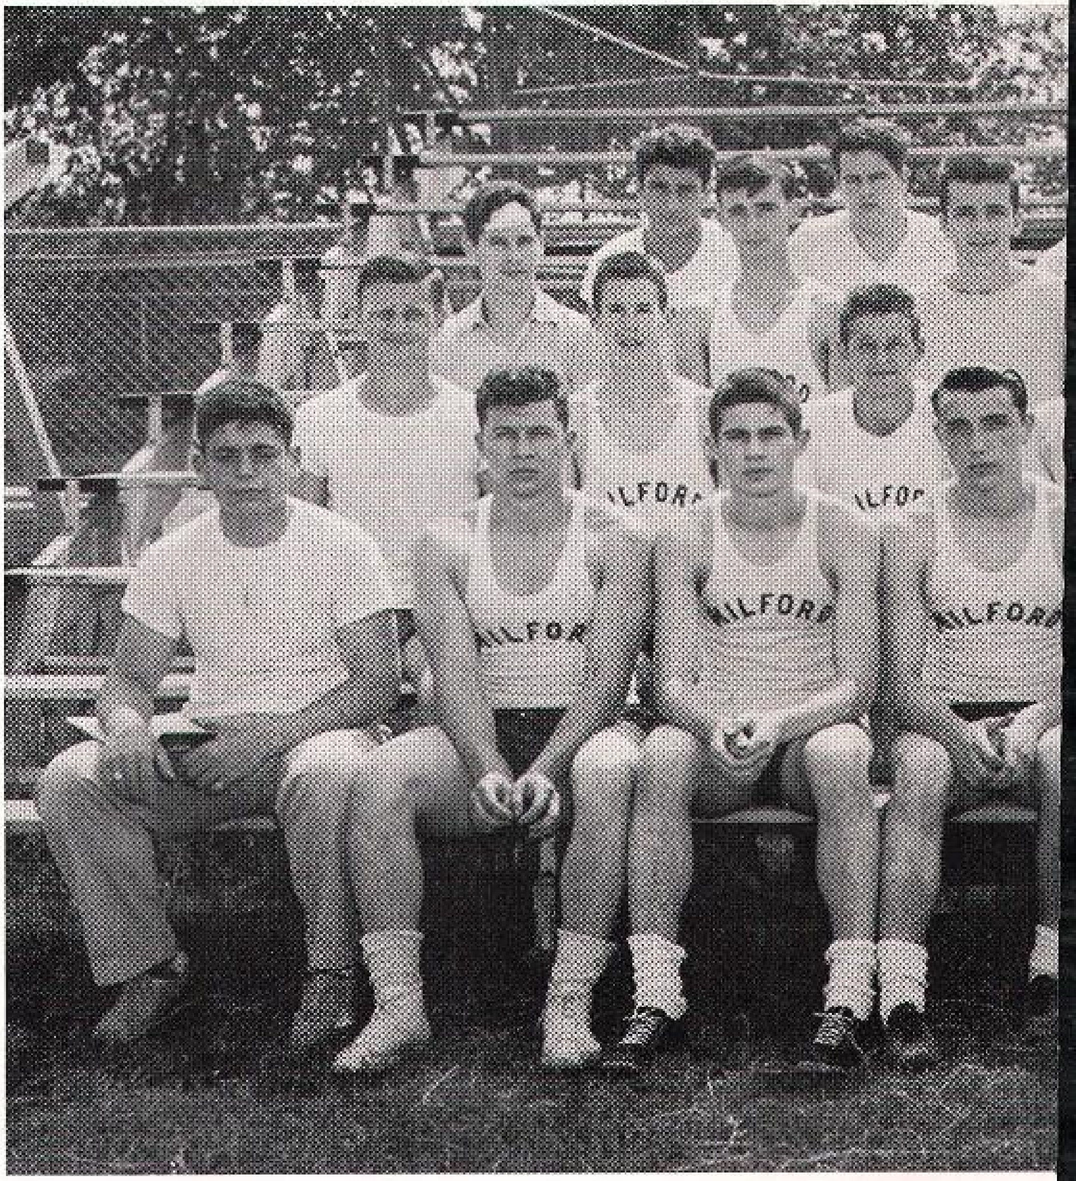
Pete Aldo prepares for another drive.



What will it be –

Up! and over goes high jumper Richie Briggs.



Last year's track squad, reversed the 1954 five win — two loss record. However, the season was not unsuccessful for it has contributed greatly to the condition and experience of those who will return this year. The only returning members of last year's fifteen lettermen will be Linwood Schulte, captain and miler; Dick Briggs, broad and high jump; George Phelan, 100 yards and 220 yards; Buddy Evans, broad jump and pole vault; and Ray Hollworth, 220 yards and 100 yards. It is hoped that Linwood Schulte will break the four minute mile, which he came close to doing last year.

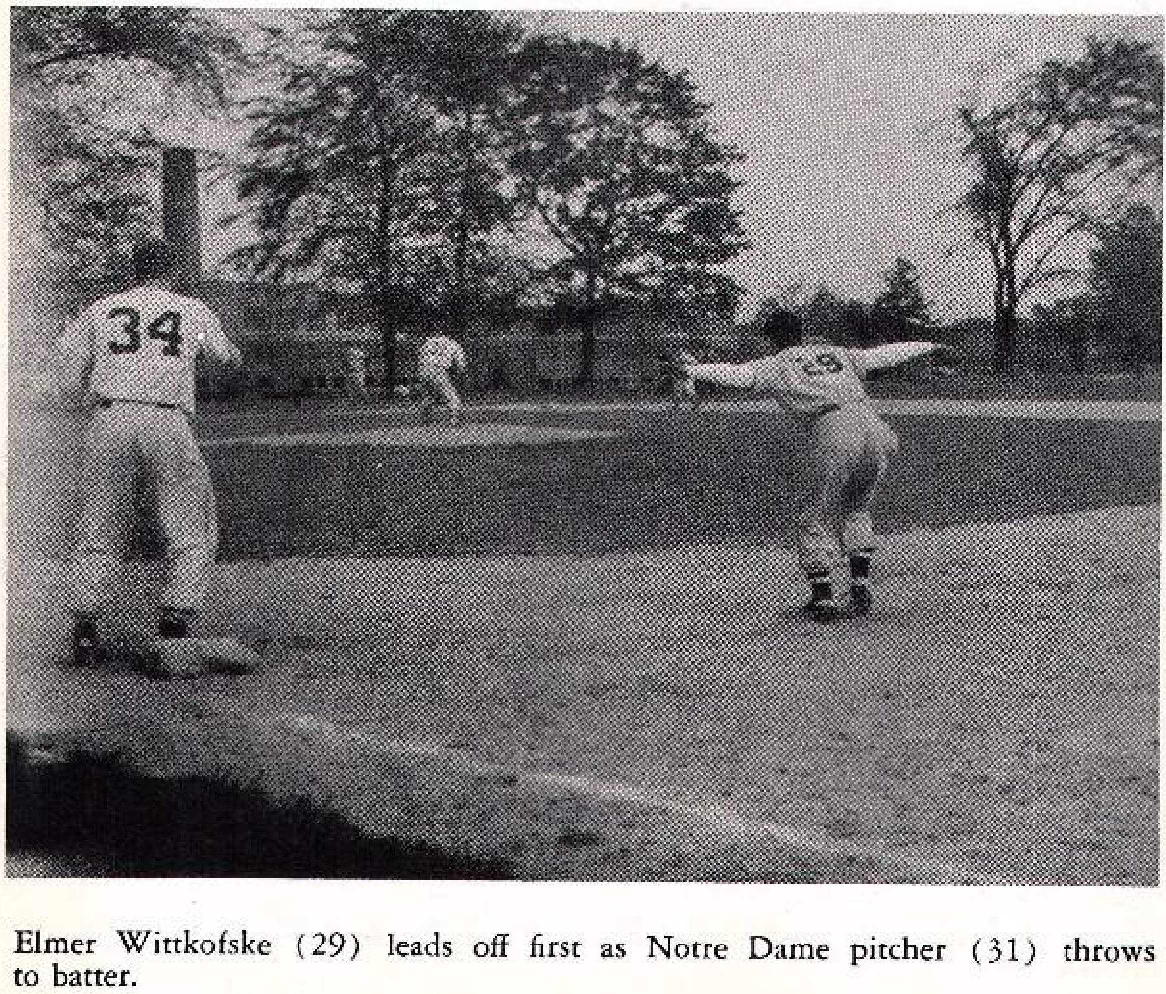
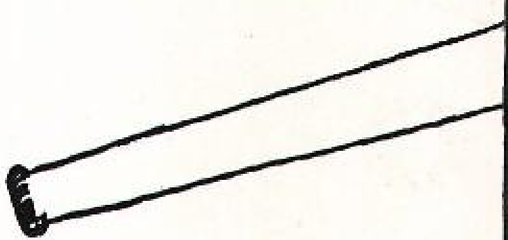
1955 – BASEBALL – 1956

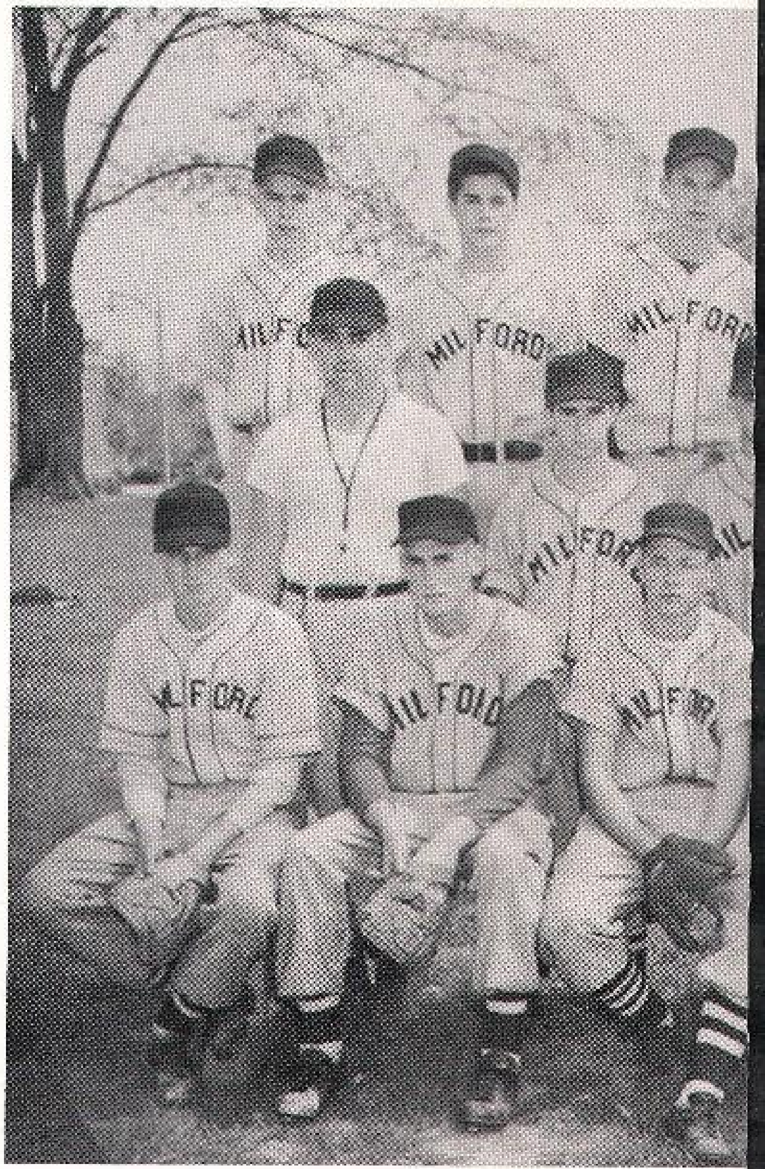
The 1955 "Diamond Squad" turned in a 7-9 record under the leadership of captain Paul Mack and coaches Jack Taylor and Roy Lund. This year it looks as if we're going to have a tougher time, especially from the mound. We've lost Hoffman, Pilkowicz and Hirth and have only Joy returning to the M.H.S. hurling staff. With the hopes of some undiscovered talent and leadership of captain Morse the 1956 season should be all right.

The highlight of the season was a "no-hitter" against West Haven, pitched by Walt Pilkowicz which we lost 1-0 on two walks and an error; a very disappointing one to lose.

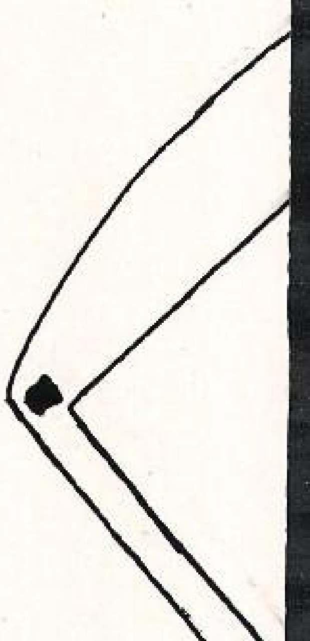


Elmer Wittkofske (29) leads off first as Notre Dame pitcher (31) throws to batter.

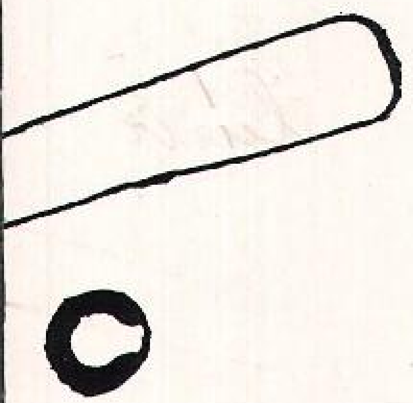


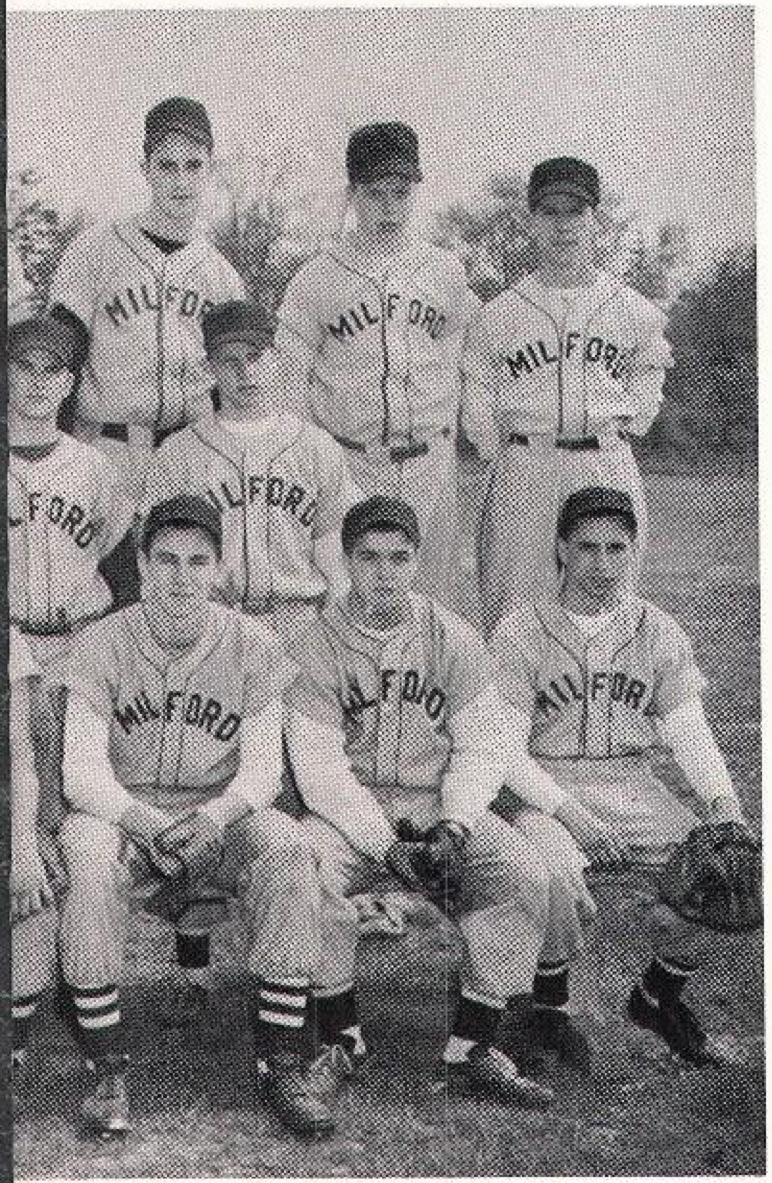


Hitters, fielders, pitchers, catchers and traditional teamwork give M.H.S. "diamond squad" good season. Front row, left to right: Ronnie Curley, Walt Joy, Bill Schrader, Paul Mack, Walt Pilkowicz, Ronnie Steimetz, Elmer Wittkofske.

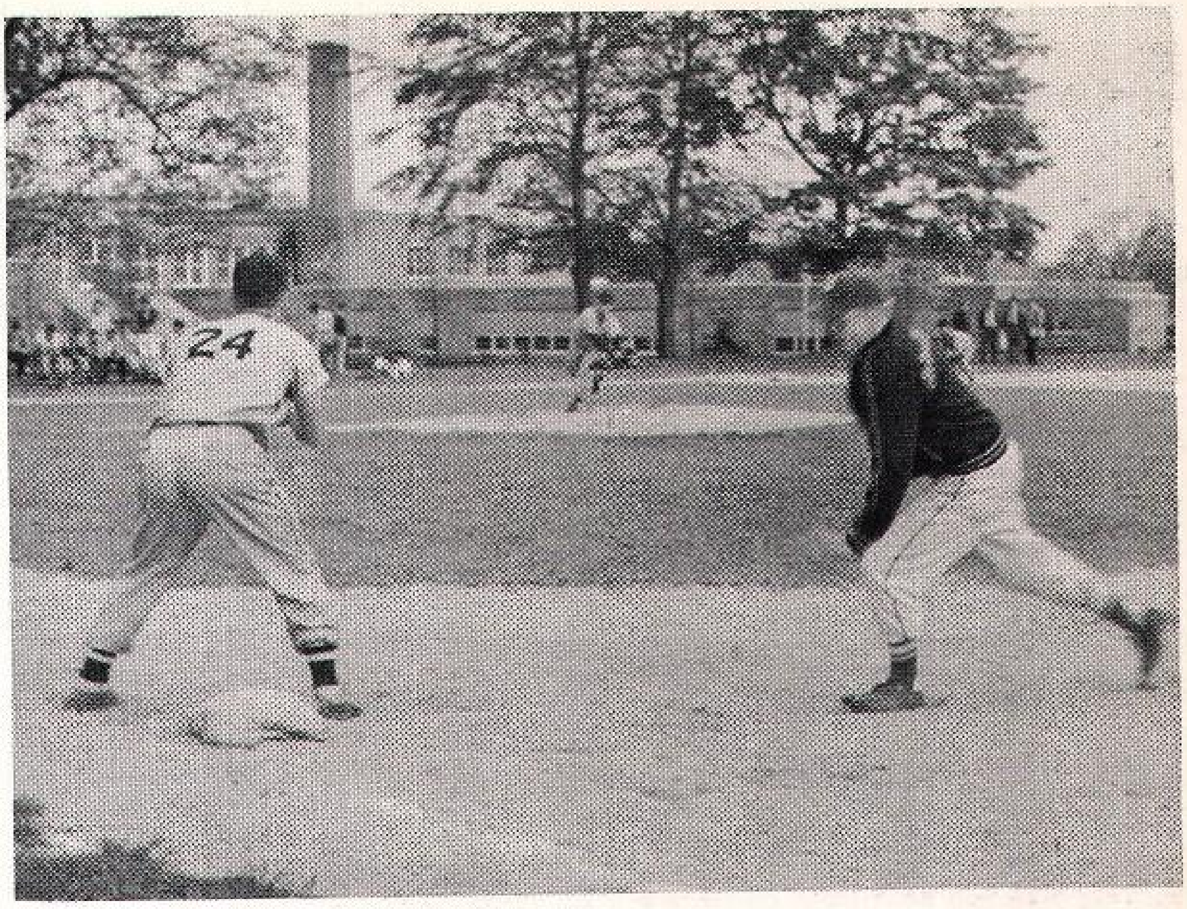


and baseball's off again.





Second row: Mr. Taylor, Bill Morse, Jerry Mason, Bill Hoffman, Emil Usinger. Third row: Wally Whittaker, Bob Calandro, Bob Schock, Henry Brockenberry, Paul Hirth, Bob Griffin and Paul Bugilone.



Bill spins and throws to first — a nice "pick-off."
